NUMBER 28

HIGHWAY MAIL ROUTE FOR CAMERON

RIGHT OF WAY PLAN IS PRAISED HERE

CITY URGED TO MAKE QUICK JOB OF PAYMENT

Business leaders generally were encouraged over the outlook for early progress on securing right of way for highways 190 and 36 through the city of Cameron.

A delegation of business men and civic leaders were before the City Council Tuesday night to urge that the city proceed at once to finance the cost of this right of way and the Council voted unanimously to issue warrants to pay for the frontage needed.

Civic leaders like Bill McIntosh, president of the Chamber of Commerce, were instrumental in bringing a helpful expression of public sentiment to the attention of the Council. They believe there has been too much delay already and now that the council has determined on a course of action there should be immediate progress.

Business men have recommended the issuance of warrants to be paid for out of the current revenues of the city in order to save both time and money. To issue bonds would involve an election and a long span of years in which interest would cost twice the amount of warrants. Bonds are usually not wanted if issued on short maturities. A warrant is designed for quick financing and although bear a higher rate of interest, they can be paid off in a very short time.

If the city elects to issue warrants in the sum of \$50,000, if needed, and elects to retire them as suggested by businessmen at the rate of \$10,000 a year out of the current tax rate, the total interest outlay would be only around \$6,000 at 4 per cent.

If bonds were voted in the sum of \$50,000 to bear interest at the rate of 2 per cent and run for a period of 25 years, the total interest debt would be \$12,060.00 or thereabout.

In no case do the people want their taxes increased and warrants could be issued and paid off as indicated above by the allocation of around 25c of the tax rate for the first year. This rate would graduate down rapidly if the warrants are retired in 5 years.

If the Council should make the mistake of issuing these warrants to run over a long period, there would be no advantage and they would cost more because they bear a higher rate. The correct solution is to get down to business and pay off the obligations in not to exceed 5 years.

THORNDALE MAN IS RECOMMENDED HERE

L. D. Barnes, Jr., of Thorndale was recommended for appointment to the active Milam County Draft Board No. 92 it was announced by Loretta Brock, chief clerk.

A special committee composed of Judge Dan Tyson, Homer Nabours, Charles M. Hicks, Clyde Franklin, Joe D. O'Neill, Herbert Nance, and Morris Weems, met in the office of the local board and recommended Mr. Barnes' appointment to fill the vacancy left by F. G. Blake who was transferred to Board No. 136 in Calvert.

Mr. Barnes is a veteran of World War II having served in the armed forces from March 31, 1944 to May 7, 1946.

The recommendations of Mr. Barnes and of J. A. Henderson of Ben Arnold must receive Presidential approval and upon receipt of this approval they are officially appointed.

The members of the active board now consist of August G. Kunz, Chairman, Grover C. York, Co-Chairman and L. D. Barnes, Jr., Secretary. The pending board consists of Lon M. Peoples of Milano, Leon L. Brady of Buckholts, and J. A. Henderson of Ben Arnold.

After the meeting of the committee, Local Board No. 92 met in regular session for the purpose of classification of registrants and consideration of appeals.

WATER COMPANY PAYING OFF HERE

COTTON LOSSES CITED IN TELEGRAMS TO JOHNSON

Milam County farmers are protesting the imposition of export controls on cotton and the farm Bureau has just received a telegram from Senator Lyndon B. Johnson stating that he is doing everything possible to get the Department of Agriculture to revise this order.

President Truman on Friday instructed the Department to maintain export controls despite the fact that Secretary Brannon had modified his previous order.

This action on the part of the President has angered Southern cotton farmers and also Southern representatives in Congress.

The Farm Bureau sent the following telegram to Senator Johnson:

"Recent announcements by the Department of Agriculture and Commerce that exports of raw cotton be limited to two million bales, has resulted in a loss to Milam County farmers. Our farmers stand to lose many thousands of dollars on this short crop. The Milam County Farm Bureau request your immediate assistance in correcting this error. Thank you for your assistance."

Senator Johnson in his reply to S. W. McClaren, president of the Farm Bureau, said, "I appreciate your wire regarding cotton export restrictions. Have gone into problem with Department of Agriculture and urged reconsideration of decision. There is possibility of some relaxation of export restrictions after military needs are made known and when 1950 crop estimates become more definite. Am doing my best to be helpful and am demanding defense estimates be submitted promptly in hope this will give farmers protection from present disastrous price trends."

Dr. J. B. Woodall has arrived in Cameron and entered practice with the Newton Clinic and Hospital. Dr. Woodall came to Cameron from Richland Springs and is presently trying to find a suitable home. Mrs. Woodall and their children are in Richland Springs and will move to Cameron as soon as housing has been found.

Dr. Woodall was born in Huntsville in 1907. He attended school in Port Arthur and entered medical school at Baylor University in Dallas, graduating there in 1936. Dr. Woodall completed his extern work in Dallas hospitals and for his internship, went to Robert B. Green Hospital in San Antonio.

Dr. Woodall was prominently identified with a clinical group in Kerrville before World War II and during the war, did extensive industrial medical service in Port Arthur.

Since graduating from medical school, Dr. Woodall has been engaged in general practice of medicine and surgery and has done post graduate work at Galveston and the famous Mayo Brothers Clinic in Rochester, Minnesota. He came to Cameron to be associated with Newton Clinic. Dr. and Mrs. Woodall have two children, Barbara 13 and J. B. Jr., 8.

Among the practice experiences of Dr. Woodall was as County Health Officer in Kerr County and as surgeon for the Santa Fe and Southern Pacific Railroads.

While the United Nations and the United States flag fluttered overhead Cameron residents paused Tuesday to mark the fifth anniversary of the organization of the United Nations.

The ceremony, put on by the Home Demonstration Clubs of Milam County included presentation of the flag to Judge Dan Tyson of Milam County by Mrs. Graham Young, president of the Gay Hill HD club, who along with the members of the club made the flag.

Mrs. Bertie H. Alford, Home Demonstration Agent and mistress of ceremonies gave the welcome address as follows:

"Citizens of Milam County, we are gathered here today to celebrate United Nations day and we are happy that we are one of the greatest nations in the world and that we are a free people. We are here in honor of UN Day. We are happy this is the 5th birthday of the UN and for Mrs. Graham Young, president of the Gay Hill HD club and all of the members who have made this flag and made it possible that it might be flown throughout the day."

Mrs. Graham in turn presented the following:

"The best possible medical care is available to these children admitted for treatment."

Dr. J. B. Woodall Has Entered Practice Here With Newton Clinic

CITY TOLD IS TOO FAR AWAY FROM CAPITAL

The light of hope faded to a dim flicker here today over Cameron's chances to get the Quartermaster Laboratory to be established by the Army.

W. L. McIntosh, president of the Chamber of Commerce, has received a letter from Congressman W. R. Poage and the letter is being interpreted here as expressive of a rather hopeless situation.

Mr. Poage has just returned from a world tour but got stranded in Saudia Arabia, finally making his way back to Washington.

In his letter, the Congressman said he had taken the matter up with Mr. Frye of the Committee of Army Engineers and has learned that the committee did not act on location of a site on October 15 but states that the committee has employed engineers to make investigations about water supply in 3 or 4 areas, none of which are in Texas.

Mr. Poage compliments the Chamber of Commerce on the brochure, but says he has not received any encouragement at the hands of Mr. Frye and says the Board definitely may have determined to put the laboratory somewhere within convenient reach of Washington.

Quoting from the letter written by Mr. Poage, the following may be significant. "Of course, as he says, if some community at considerable distance can present outstanding facilities, it may yet be considered favorably, but the greater the distance from Washington, the greater the handicap, particularly where there is no direct air transportation."

If the airport committee had followed suggestions made by the late planning board, the city might have had a large airport and while at that time there was no thought of a laboratory or of subsequent isolation of Cameron because of official neglect, the advantages of doing things in a bigger way are now coming into focus.

Mr. Poage says he does not want to be discouraging, yet he does not want to give Cameron any false hopes.

B. F. Stewart Grocery Offering Big Sale Of Foods In 8 Day Sale

A Fall Festival of food items and other merchandise at low prices will be featured in an 8 day sale at B. F. Stewart's Grocery and Market beginning October 27 through November 4.

This popular store is offering merchandise at bargain prices and has been a leading store in this area for a number of years.

Food shoppers will be glad to learn of these reduced prices and no doubt will be anxious for this sale which begins Friday.

B. F. Stewart, owner and operator of this large store, said he was happy to offer good merchandise at low price levels and has a good stock of all the leading brands.

Martin C. Wukasz Guest Speaker At Lions Luncheon

Martin C. Wukasz with the State Health Department in Austin was guest speaker at the Lions Luncheon Tuesday October 24.

L. Van Perkins was program chairman and introduced Mr. Wukasz. He showed a film on the results of an atom bomb explosion dropped on Japan during the late war.

Mr. Wukasz gave a most interesting talk on being prepared for an atomic bomb attack and pointed out what should be done in case a bomb is dropped on our city.

Woodrow Lowe, presided over the program.

BRIGHT OUTLOOK HERE FOR UTILITY VENTURE

Cameron's Water Plant is making a net profit to justify all claims made when the people were called upon to vote bonds to buy it from the Community Public Service Company.

A check up by this newspaper Friday morning on 3 months period in order to bring the facts to the attention of the people, disclosed that during the months of July, August and September the net earnings of the plant total \$5,180.91.

W. H. Stafford, city secretary whose duties are to keep these records has been very obliging to give this information.

When the plant was purchased, it was estimated, based on a period of years of earnings that the net revenue would be substantially \$20,000 a year. If the plant continues to average throughout the year what it has netted during the past quarter the net would be \$20,723.64.

The city has remitted its first interest payment in the sum of \$4,390.75. This amount is for six months and also a deduction of 20 per cent is made for the surplus fund and this will amount to \$878.15. The first payment on the principal will be made at the end of the Fiscal year May 1, 1951.

The plant was purchased at a price of \$300,000. The people voted bonds (turn to page twelve)

COMMITTEES NAMED FOR DISASTER PROGRAM

Approximately 150 people attended the Atomic Disaster program held in the district court room Tuesday night.

A. W. McCullin, Co-chairman, acted as master of ceremonies and gave an instructive lecture on the essential preparedness in case of an atomic bomb attack.

Martin C. Wukasz, representative of the State Health Department at Austin showed a film on an atom bomb explosion and what condition results from an explosion of the bomb. Mr. Wukasz gave a talk on what to do in case of an attack and how the disaster committees should collaborate with the Red Cross if an attack should occur.

Geneva Boss of Temple, Red Cross Nurse discussed Red Cross work and how the disaster campaign worked in connection with red cross work in the communities.

Surrounding communities had representatives present and they will organize their disaster relief committees in the near future. This important activity has created great interest among the citizens of Milam County and in case of attack full cooperation should be had.

The following committees and chairmen have been appointed for disaster preparedness and relief committees of the Milam County Chapter of the American Red Cross.

Disaster committee, C. C. Black and A. W. McCullen; Nurse, Mrs. F. E. Jackson; Clothing, Miss Mary Burns and Mrs. Lester Williams; Shelter, W. T. Hanes and C. L. Canaday; Food, L. Van Perkins and Fred Reno; Transportation, Milton Schiller, Carroll Green and Bill Burns; Registration and Communications, Miss Mildred Thornton and Miss Bessie Dunham; Publicity, Mrs. Ben Reichert and Max McClaren; Survey, Dr. George Bowman and Dr. Gus Evans, Jr.; Rescue and Evacuation, Rudy Michalka and National Guard Unit; Purchase and Supply, E. A. Perrin and John Davis; and Medical Advisors, Dr. C. G. Swift and Dr. David Shapiro, and all doctors are committee members.

The Disaster Headquarters will be at Yoe High Gymnasium and the Secondary Headquarters will be at the Court House.

COMPLETE MAIL SERVICE OPERATES OUT OF WACO

Cameron is now officially on the route of a highway post office, it has been announced by Congressman W. R. Poage.

Two highway post office routes are now operating out of Waco and one of them is through to Yoakum and includes the towns of Chilton, Lott, Rosebud, Burlington, Ben Arnold, Cameron, Rockdale, Giddings, LaGrange, Schulenberg and Hallettsville.

Full service is expected to begin in time to take care of Christmas mail traffic.

J. R. Hayes, postmaster at Cameron has been officially notified of this new service through Cameron. The post office department established these mail lines after passenger and mail service was discontinued over the Texas and New Orleans Railroad here last year. The department has operated a limited mail service by truck out of Waco over the route.

Three vehicles all located in Waco are provided for this service. They are especially built to post office specifications and are similar to railway mail cars.

These trucks cost \$18,000 each and are manned by a driver and a postal clerk, both of whom are permanently employees of the postal service.

The operations are given the cities along the routes every advantage of the railway post office and the cost will be considerable less.

Raymond Perry With Sixth Fleet Now In Mediterranean Sea

Raymond Perry, Airman, USN, son of Mrs. Lois Pressley of Cameron is a crew member of the Aircraft Carrier USS Coral Sea.

In 1947 Seaman Perry volunteered for service in the Air Corps and re-enlisted in the Navy shortly after a discharge from the Air Corp and has been with units of the Sixth Fleet since his re-enlistment.

The Sixth Fleet is under the operational control of Admiral Richard L. Connolly, Commander-in-Chief, U. S. Naval Forces, Eastern Atlantic and Mediterranean and the fleet is constantly on the move protecting U. S. interests in that area.

Mrs. Pressley recently received word from her son that his ship was docked in Italy but plans to sail for France within a few days.

RESIDENT OF TEXAS FOR 81 YEARS DIES

Funeral services for Mrs. Lydia Ann Westbrook, 97, were held at Liberty Monday. Burial was in Liberty cemetery. Mrs. Westbrook died Sunday in Dallas where she had been visiting a daughter.

A native of South Carolina, she came to Texas at the age of 10 and had spent the remainder of her life in this section of Milam county.

Surviving are five daughters and four sons, Mrs. M. A. Taylor of Milano, Mrs. Minnie McClanahan of Siloan Springs, Ark., Mrs. W. A. Jackson of Brownwood, Mrs. Eloise Stacy of Santa Anna, Mrs. Lila Hill of Dallas, T. C. and L. M. Westbrook of Kingsville, E. F. Westbrook of Houston; also a sister Mrs. L. A. Jayroe of Welch, Texas; 31 grandchildren and five great-great-grandchildren.

MR. BATTE'S CONDITION REMAINS SERIOUS

R. L. Batte, Sr. widely known and beloved citizen of Milam County is critically ill at his home. He recently sustained injuries when he fell at his business office and since that time has been in declining health.

The family has expressed regret that Mr. Batte cannot have company and they deeply appreciate the anxiety being shown by his many friends throughout the county.

Mr. and Mrs. Frank Richards and son visited in the home of Mr. and Mrs. Gene Kennedy at Bryan Sunday.

MUNICIPAL AIRFIELD IS JUST BIG WEED PATCH

Corrosion is a mighty force for disintegration and when it hits the civic structure the limbo is terrific.

Cameron once had a natty little airport kept as spic and span as a country yard swept with broomweed. Now it is a wilderness of weeds and high grass into which beer cans may be thrown and through which planes land at hazard.

Windsocks on the indicators have long since been shredded and only the hoops remain to form double rings on the horizon of those who imbibe too freely.

This newspaper has learned they are baling hay in some parts of the field and blood weeds are higher than they got around the bus station that day the child was lost.

Runways on the fields or so obscured the 125 acre tract that cost the people \$25,000 is no better than an abandoned field. All surplus money from the sale of the bonds has

been spent and although the field is still under lease its usefulness for air traffic is almost a thing of the past.

When the field was established, some had visions of air traffic while others received private accommodations at public expense. There was a small segment of civic leaders who wanted a 1,000 acre tract instead of the 125 acres but the idea was large and adequate and had to be put on the shelf for the corrosion process.

The airport in under sub-lease for the operation of a beer saloon and cafe. The city is receiving \$50 per month, which is less than 3 per cent on the investment.

The Junior Chamber of Commerce is talking about leasing the field for a fair ground. Such a venture will be successful only if large expenditures are made and this is not likely. The field could be plowed under and converted into a turnip patch of if the City Council wanted to do something worthwhile they could convert the site into a housing project.

Something more substantial than is now being realized could be worked out if this piece of property which the citizens have the right to expect, could be better managed.

Business Women Plan For Christmas Party

The Business and Professional Women Club met at their club house Tuesday night October 17 with Mrs. Bonnie Donovan as hostess.

During a business session the Community Christmas party and Home decoration contest were discussed. The club voted to contribute \$5 to the Crusade for Freedom.

The hostess served Ice Cream, cookies and coffee to 13 members present.

Go To Church Sunday.

Texas Venture
In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

LAWRENCE SULLIVAN ROSS
Soldier • Statesman • Knightly Gentleman

Lawrence Sullivan Ross, one of the most colorful figures in early Texas, did much to establish the A. and M. College of Texas as a ranking educational institution, and put it on the way to the position it holds today. "Little Sul," as he was affectionately known to Texans of the '90s, had made his reputation as an Indian fighter, Texas Ranger, sheriff, soldier and statesman, before he came to the presidency of A. and M. Among his more noted exploits had been the recapture of Cynthia Ann Parker, his rise in the Confederate Army from private to General in four years and his effective term as Governor of the state. In the eight years from his inauguration in 1890 to his death, he enhanced the popularity and the stature of the college tremendously. The Sul Ross statue in the center of the campus is today a college shrine, while the Ross Volunteers, oldest student honor organization in the state, serve as a constant reminder of his place in the story of Texas A. and M.

MRS. BERNARD BUTLER RITES HELD FRIDAY
(From the Daily)

Mrs. Bernard Butler, 44, of Rosebud, a sister of Mrs. O. B. Horstmann of Cameron, died in that city at 4 p. m. Thursday October 19.

Funeral services were to be held from the Nicholson Funeral Home in Rosebud at 4 p. m., October 20 by Rev. T. A. Benford, pastor of First Baptist Church.

Mrs. Butler had been ill for several months and was home at the time of her death.

Surviving are her husband, Bernard Butler, her mother, Mrs. E. L. Cannon and one sister, Mrs. O. B. Horstmann of Cameron. Surviving also are two nephews and two nieces, Lane and Edward Horstmann and Margaret and Shirley Horstmann of Cameron.

Mrs. Butler had been with the Rural Electrification Association in Rosebud since its founding and was chief clerk.

Mrs. W. W. Thornton and grandson Walter Humphrey of Temple are patients in the Newton Hospital.

Case of Cigarettes Are Stolen At Grocery

A case of cigarettes was stolen from the Mondrik Grocery in Santa Fe Town Friday afternoon it was reported Saturday morning by Sheriff Carl Black.

A stranger entered the store and asked Mr. Mondrik for an item of merchandise in the back of the store. While the proprietor went to the back for the merchandise the man walked out with the cigarettes and disappeared.

Sheriff Black said no trace of the thief or cigarettes had been found.

Visitors in the home of Mr. and Mrs. G. W. Barr recently were Mr. and Mrs. John Daniel of Belton and Bill Barr of Fiat. Mrs. Daniels is Mr. Barr's sister and Mr. Barr, his brother.

Cameron Gets 1.02 Inches of Rain

Cameron received 1.02 inches of rain Wednesday night and Thursday according to L. W. Smith of the Cameron Water Co., local government observer.

The rainfall was entirely beneficial because the fall was slow and the water was soaked up by the dry earth.

Indications were that the weather would clear up by late Friday or Saturday and it will be warmer.

Miss Gladys Matthews is visiting friends in Fort Worth for several days.

Julian Burnett of Jones Prairie is ill in the Newton Memorial Hospital.

The W. O. Newtons In Houston For Bank Convention Last Week

W. O. Newton, Vice president of the Cameron Citizens National Bank and Mrs. Newton were in Houston October 20 and 21 as part of a group of Texas and Louisiana bankers attending the fourth annual Bankers' Clinic held by First National Bank in Houston.

While at the clinic the bankers heard addresses by nationally prominent personalities, including Dr. Walter Garver, Director of the Agricultural Department, United States Chamber of Commerce; Honorable Price Daniel, Attorney General of Texas; Leland Doan, President of the Dow Chemical Company; Hon. W. R. Boyd, Jr., former president of the American Petroleum Institute; and Gen. W. F. Heavey, Director of the Port of Houston.

They were also guests of the Houston bank on sightseeing trips through the National Biscuit Company plant and the Chemical Division of Shell Oil Company, a luncheon and style show at the Shamrock Hotel, a dinner at San Jacinto Inn, and the Rice-S.M.U. football game.

Mrs. Clary Kelly and daughter, Dorothy visited Mrs. Kelly's mother and sister in Austin Sunday.

Why are more
and more women
switching to the
new modern
Electric Ranges?

They save time,
trouble and
money!

Yes, ma'am, a modern electric range saves you time, trouble and money... gives you a completely new outlook on cooking!

A new electric range saves you time, because it's fast—high-speed cooking units are instantly ready for use. An electric range saves you trouble, because it's modern... incorporates the newest cooking conveniences.

Accurate temperature control cuts on and off automatically, so that much of the cooking is done on stored heat. There's no smoke or soot to blacken pots and pans, grey walls and curtains when you cook electrically, so kitchen clean-up time is cut in half.

A modern electric range saves you money, because there's less food shrinkage. What's more... dependable electricity costs only *one cent per person per average meal!*

No wonder more and more women are modernizing their kitchens with new electric ranges!

See the new Electric Ranges at Electrical dealers

PFC Donald Batte Is Awarded Purple Heart; Wounded In Korea

Donald N. Batte, serving with the First U. S. Cavalry Division in Korea, has been awarded the Purple Heart decoration for wounds received in action against the enemy at Shindo, Korea.

PFC Batte is the adopted son of Miss Mary Belle Batte and a brother of Richard E. Batte of Cameron. He is a member of the Division's 5th Cavalry Regiment, and was wounded on September 14 just outside of Shindo, while carrying out his assigned duties with the unit.

Prior to the outbreak of war in Korea, he was stationed at Takeyama, Japan as part of the occupation forces of that country.

ED SLATER DIED IN BAY CITY MONDAY

Ed Slater, widely known former resident here, died at his home in Bay City at 3:30 A. M. Monday, October 23.

Announcement of Mr. Slater's death was telephoned to the Daily Herald by James L. Coleman, now a resident of that city and engaged in business there.

Mr. Slater left Cameron 3 years ago and moved to Bay City. He will be remembered by many of the pioneers as an early day blacksmith and at one time associated with the late J. W. Coleman who for many years was a prominent Cameron business man and part owner along with J. D. Eplen of the Cameron Furniture Company.

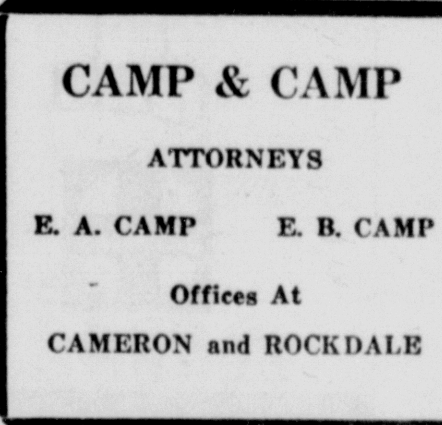

Mr. Slater was a colorful character and helped to make many of the zestful tales attributed to early day life in this old city.

Funeral services were to be held at 2:30 P. M. Tuesday October 24 in Bay City. He is survived by his widow, one daughter, Mrs. Henry James and one son, Charles Slater, all of Bay City.

Mrs. Grady Gill, Bonnie, Grady Thomas and David Gill and Mrs. A. B. McFarland visited Mr. and Mrs. E. R. Hearne and children in Bryan Sunday afternoon. Mrs. Minnie McFarland who has been visiting in the Hearne home returned with them to Cameron. They also visited Mr. and Mrs. Grady Goodwin and children of Bryan.

Mrs. J. F. Willeford has returned from Waco where she visited her daughter, Mrs. Emmer Laywell.

Mrs. R. L. Batte Sr. Hostess To Delphians

Mrs. R. L. Batte Sr., was hostess to the Delphian Club Tuesday afternoon at her home at the "Sycamores."

Mrs. W. C. Freeman presided over the program and Mrs. Alvin Wueck was program chairman. A forum was held on the United Nations and each member was given a chance to comment on the present situation which the U. N. is confronted.

Mrs. M. G. Cox, Mrs. Joe Denson and Mrs. J. C. Martin were guests and about thirty members were present.

The hostess served chicken salad sandwiches, pear salad, cheese and plum pudding with iced tea.

Local Women Attend Women's Society At Marlin Monday

Mrs. H. L. Green, Sr., and Mrs. R. L. Batte, Sr., attended the Women's Society of Christian Service at the Methodist Church in Marlin Monday October 16. A play written by Mrs. Batte called "Status of Women" was presented by the women of the Methodist Church there. Mrs. Batte is the secretary of the Status of Women in the Bryan District.

After the play was presented, refreshments were served to a hundred women of the district.

Mr. and Mrs. Rip Woods of Milano were visitors in Cameron Saturday. Mr. Woods, carpenter contractor is working in Houston and was home for the week end.

Miss Frances Sebesta Honored With Shower

Miss Frances Sebesta, bride-elect of Charles McDermott, was honored with a tea shower Tuesday evening, October 17 from 5:00 to 9:00 by Mrs. Sam Tindall and Mrs. Bruce Henry at the home of Mrs. Tindall on West Seventh Street.

Mrs. Curtis Baron and the honoree greeted the guests at the door and Mrs. Chester Hobson presided at the bride's table and directed the registering of guests.

A refreshment course consisting of punch, sandwiches, potato chips, cookies and mints were served to approximately 45 guests during the evening. Miss Bobbie Ann Burnett and Mrs. Warren Brashear presided at the punch service. A centerpiece of lovely chrysanthemums adorned the table with a white lace tablecloth.

The many gifts received by the bride-elect were attractively displayed on a table covered with a beautiful linen cloth. Mrs. Henry had charge of showing the gifts.

Arrangements of roses were placed at points throughout the house.

The wedding will take place at the SS Cyril Methodius Church at Marak with Rev. Ben Holub reading the vows on Thursday October 19 at 7:30 in the evening.

Marie Ella Zarosky Honored On Birthday With Home Party

Marie Ella Zarosky, daughter of Mr. and Mrs. Johnnie Zarosky was honored on her 9th birthday with a party at her home Saturday, October 14.

Several spirited games were played during the afternoon. Guests were, Barbara Shattle, Patricia Johnson, Katherine Marie Mikula, Pat Matula, Lee Hollas, Katherine Absnider, Lorene Balcar, Melvin Joe Provasek, Charles Hollas, Irene Balcar, Mary Ann Repa, Dolores Ann Zarosky, sister of the honoree and Barbara Kotrola.

A lovely three tiered birthday cake decorated with pink candles in pink bird holders and Happy Birthday on top was cut and served with ice cream, assorted cookies and punch. Plate favors were miniature baskets filled with chewing gum, candy and animal cookies.

The honoree received many gifts and thanked everyone in her own sweet manner.

Jerry And Paula Zotz Enjoy Birthday Party At Home Saturday

Jerry and Paula Zotz, daughters of Mr. and Mrs. Oscar Zotz were given a birthday party Saturday, October 14 at the Zotz home on North Travis. Jerry was seven years old October 14 and Paula will be three November 2.

Mrs. Zotz carried out the Halloween motif in decorating the home. Arrangements of gold and orange chrysanthemums were placed at points of interest throughout the house. Two decorated birthday cakes were placed in the center of the table. Plate favors were Halloween horns.

Mrs. Zotz assisted by Mrs. L. R. Thompson and Mrs. John Fuller served ice cream in waffle cuplets and cake to the following: Rose Mary, Helen and Charles Matula, George Wohleb, Reggie and Douglas Balhorn, Bobby Fuller, Connie and Mona Mauldin, Gloria Jean and Tommy Lane, Patsy and Ray Thompson.

Go To Church Sunday.

The Alton Robbins Entertain Daughter With Birthday Party

Mr. and Mrs. Alton Robbins entertained their daughter, Wallye Jean with a birthday party Monday night at her home.

The party was held in the garage which was decorated with Halloween colors, balloons, berries and pumpkins.

Forty four guests present for the party were Allen Noey, Lela Rae Clark, Joyce Riola, Dorothy Gaines, Shirley Mullinax, Lillie Holloway, Johnnie Fay Glass, Minnie and Evelyn Whittington, Nila Jean Fuller,

J. W. Beale, Les Lankford, Sonny and Dwain Bowley, Calissa Brasher, Doris Jean Partee, Margaret and Clara Nell McCullin,

And LaWanda Raney, Glynn Raney, Bobby Gandy, Patsy Bell, Patricia Gill, Jeanette Hargrove, Phillip McCall, George Bryant, Cheryl Gay Robbins, Mrs. Vito Riola, Mr. and Mrs. Adolph Hertenberger and children, Joyce, Patricia and son and Mr. and Mrs. W. C. Kohutek.

Out of town guests were Mr. and Mrs. Henry Peiske and children, Eugene and Wanda of Belton, Hoyle Jones and Odell Hallmark of Belton.

Mrs. Robbins, mother of the honoree, directed games and prizes were awarded to Joyce Riola, Robert Bowley and Glynn Raney.

From a lace covered table centered with red roses, Mrs. Robbins,

assisted by Mrs. Vito Riola, served a beautiful birthday cake decorated with 16 candles and a miniature witch with orange drinks and ice cream. Plate favors were orange and black jelly beans.

Wallye received many beautiful and useful gifts and thanked each one in her own charming manner.

Three Join To Honor Pete Tindall On His Birthday; Park Party

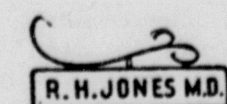

Mrs. Ed Tindall, Mrs. Bill Pate and Mrs. Frank Lima were hostesses to a weiner roast and treasure hunt at the Ledbetter park recently honoring Pete Tindall on his birthday.

Enjoying the occasion were Marshall Edmondson, Charles Tindall, Charles Eanes, Douglas Obermiller,

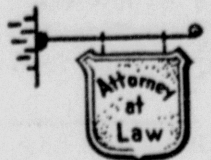

Denson Ermis, George Bryan, J. W. Beal, Preston Reichert, J. L. Harwell, Duley Tucker, Waiter Shoat, Leroy Sanders, Earl Johnson, Bobbie Bishop, Johnnie Balcar, Herbie Sims, Harry Kelm, Larry Tate, Ralph Tate, and Harold Tate, Billy Wayne Angell, Joce Ann Pate, Margaret Mitchell, Dorothy Gaines, Peggy and Dorothy Malone, Nora Price, Betty Holloway, Betty Jo and Shirley Mullinax, Patsy and Bonnie Gill, Nancy Ingram, Bon L. Harris, Jeanette Hargrove, Jo Ann Carter, Rosie ad Mary Koldejeck, Barbara Burts, Judy Lima Sissy Tindall and Virginia Reichert.

The hostess served a refreshment course of weiners, marshmallow, cookies, soft drinks and birthday cake.

Will Spiegel of Buckholts was a business visitor in Cameron recently.

NEW LANDMARK IN HOUSTON SKYLINE

This great monument of steel, concrete and brick for Houston's rapidly expanding skyline is the new Southwestern Home Office of the Prudential Insurance Company of America. Recent groundbreaking ceremonies signaled start of construction on the modernistic 18-story structure. It is scheduled for completion early in 1952. Approximately 6,000 tons of structural steel supplied by Tennessee Coal, Iron and Railroad Company, U. S. Steel subsidiary, will go into the Prudential skyscraper. The heavy tonnage of steel is the latest prominent example of the role U. S. Steel is playing in Houston's—and the Southwest's—unprecedented building activity that began after V-J Day and is still going full speed. The new Prudential office will be one of the most modern office buildings in the country and one of the largest ever constructed in the South or Southwest by a firm to be used chiefly for its own offices. It will serve seven states.

President Truman Praises B & P Women Clubs Over The Nation

President Harry Truman in a letter of praise and encouragement for National Business Women's Week sent to the national Federation of Business Women's Club, Inc., commending them on their 23rd Anniversary as an outstanding civic organization.

In his letter, the president praised the B & P. for the fine work they have done in the past and the important role these organizations play in the communities and pointed out that this good work should continue

and during this present world crisis there should be a closer relationship among the organizations. He also stressed the importance of Americanism and how the Women Clubs can aid in this essential undertaking.

Mr. Truman said "we can always be hopeful for a better America."

Mrs. Walter Harris, Mr. and Mrs. Vernie Miller and Verna Harris visited Mr. and Mrs. J. W. Harris and family in Brenham Sunday.

Mr. and Mrs. H. G. Haraway and children were guests in the home of Mr. Haraway's mother in Paris, Tex., as over the week end.

MRS. H. E. GRAHAM RITES WILL BE HELD FRIDAY

(From the Daily)

Mrs. H. E. Graham, 66, died at 9 A. M. Thursday October 19 in St. Edward Hospital.

Mrs. Graham became ill about three months ago, suffering a heart ailment and had been in the hospital under treatment since Sunday, October 15.

Mrs. Graham was a member of a prominent pioneer Texas family and had been a resident of Cameron for the last 30 years. She was the wife of Horace E. Graham, widely known citizen and at one time Texas' largest producer of honey. He is also a former member of the Texas Legislature.

Mrs. Graham was born in Hicks, Burleson County, November 6, 1884, daughter of the late Mr. and Mrs. S. B. Thomas, Sr., early day settlers in that county.

The family continued to live in Lee County where Mrs. Graham received her public school education. She attended and graduated from Sam Houston Normal College at Huntsville and became an instructor in the public schools. She married H. E. Graham March 1, 1903 and to them were born nine children, eight of whom survive as follows: Gillis Graham, Cameron; Murm's Graham, Roswell, New Mexico; Mrs. Oma Hayes, San Marcos; Mrs. Ima Batte, Cameron; Mrs. Rebecca Pumphreys of Waco; Mrs. Vida Gerick, Wilder Graham and Byron Graham of Cameron.

Mrs. Emily Gore, a daughter, and also a teacher, lost her life in the New London School Disaster in 1936.

Mrs. Graham for 30 years had been an inspirational influence in the life of the community and had endeared herself to many as she lived out the role of a Christian mother.

News of her death came with great shock to a city that for several days

had waited with anxiety for a hopeful outcome of her critical illness.

Funeral services will be held from the First Baptist Church at 2 p. m. Friday October 20 with Rev. P. A. Corkern, pastor, officiating, assisted by Rev. H. M. Bowley, pastor of Gospel Tabernacle Church. Interment will be made in Oak Hill Cemetery with Marek-Burns Funeral Home directing arrangements.

In addition to her children, the following brothers and sisters survive: Sid B. Thomas of Lockney, J. L. Thomas of Lubbock; Mrs. J. S. Beard of Brenham, Mrs. Nonnie Renfro of Milano, Mrs. J. W. Woods of Summerville, and Mrs. L. F. Parker of Muldin.

Court Will Render Verdict In Damage Suit For \$25,000

A damage suit brought by Mrs. Anna Perry of Rockdale against the Continental Bus System was tried in District Court beginning Tuesday.

All evidence in the case was taken Wednesday and arguments were heard from counsel on both sides. A jury in the case was waived and the case is now before the Court for decision.

Mrs. Perry is asking for \$25,000 for personal damages. Judge W. A. Morrison was due to render a decision soon.

Mrs. Albena Greenless who is working in Austin, is visiting her daughters, Nancy and Charlotte and Mrs. Paul Heintze over Tuesday. She will return to Austin Tuesday night.

Mrs. Allyn Dodson is ill and in the Newton Memorial Hospital. Her many friends wish her a speedy recovery.

Hubert McClaren has returned home after being a patient in the St. Edward Hospital. He is reported to be much improved.

The Cameron Herald

October 26, 1950

Mrs. Grady Little, Mrs. R. Haddox and Mrs. Frank Elder were in Marlin Tuesday visiting and shopping.

Gray Cox is ill in the Newton Hospital.

From where I sit ... by Joe Marsh

You Can't Build A Better Mousetrap!

"They're not the best-looking boarders a man ever had," Hack Turner said one day, "and they've got awful tempers. But I've found it pays to have 'em around."

Hack was talking about a family of barn owls, nesting in his silo this year. Some folks believe those little white-faced screechers kill chickens—and ought to be shot on sight. But Hack disagrees.

"Up at State University they've studied barn owls for years—and never known one to eat a chicken. On the other hand, a daddy owl will clean up around 300 mice a

month. Farmers that kill barn owls are throwing away the best mousetraps known to man!"

From where I sit, when someone shows a prejudice against any group of animals or humans—it's usually just based on misunderstanding. For instance, some folks are plumb intolerant about those of us who enjoy an occasional quiet glass of beer. Get to really know us and you're liable to find we're pretty good birds at that!

Joe Marsh

Seeing is believing

why no range is cooler than a modern gas range

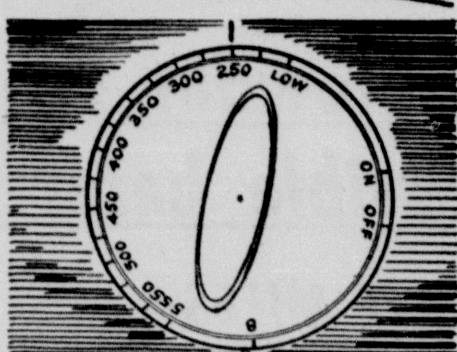

YOU know it takes heat to cook. No hocus-pocus or cock-eyed claims can change that. However, a modern gas range will keep your kitchen as cool as you can reasonably expect.

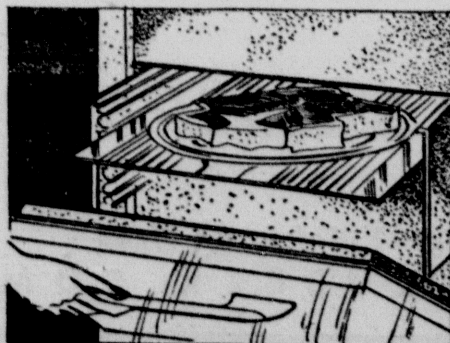

A low simmer flame, a little larger than a thimble, cooks vegetables in a covered saucepan. For any task, you can adjust a modern gas range for the lowest possible heat. You have dozens of heats to choose from, not just 5 or 7. Moreover, burners shut off instantly; no lingering heat pours into your kitchen.

If your range has its best days behind it, now is a good time to buy. But be clear-eyed, keen-eyed. Get a range with a record of proven performance; a range that will be repair-free. Get the range that's used by 96 out of 100 women in this area. Get a modern gas range.

On display almost everywhere.

Modern gas ranges roast meats at the constant low temperatures necessary for good results. Low oven temperature plus super oven insulation reduces oven heat loss, reduces fuel consumption, keeps kitchen temperature down.

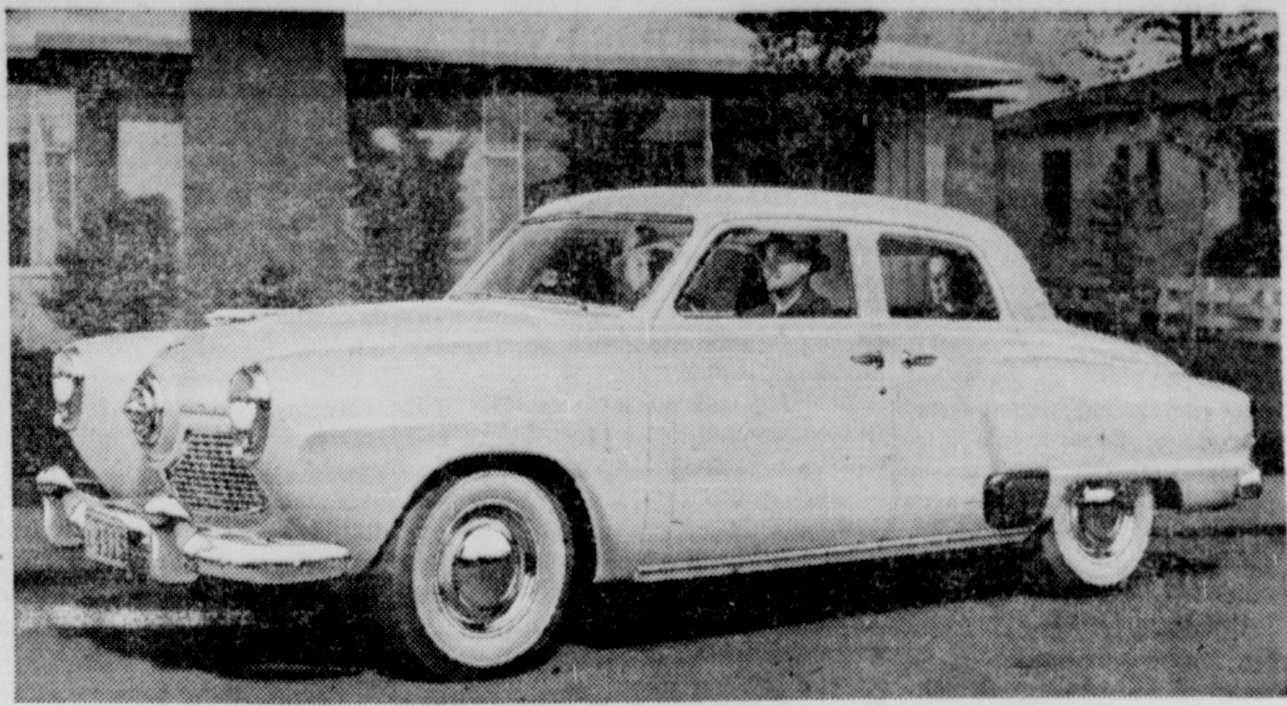

Only modern gas ranges broil with the broiler door closed; keep hot, grease-laden air out of your kitchen. No open door—that's why it's cooler and cleaner, too!

Increased driving visibility, pioneered by Studebaker in its earliest postwar cars, is carried on even more extensively in the 1951 models. One-piece windshields are now standard on all Champions and Commanders. The increased visibility provided by such windshields will make an important contribution to safer motoring. Also standard on most models are one-piece rear windows. Shown is the 1951 Champion 4-door Regal sedan.

Funeral Services Held For Mr. Janes

Frank Janes, 76, died in the Newton Memorial Hospital here early Wednesday morning following several weeks of illness.

Mr. Janes was born in Washington County and has been a resident of Buckholts since 1916, a farmer in that community. He was a member of the Czech-Moravian church and also a member of the SPJST Lodge.

Surviving are his widow of Buckholts; three daughters, Mrs. Bob Matthews and Mrs. Charlie Hundle of Cameron and Mrs. George Sanders of Temple. Six sons, Henry, Bennie, John and Adolph Janes of Buckholts, Frank Janes, Jr. of Dallas and Alvin C. Janes of Port Arthur.

Three brothers, Vince Janes of Brenham, Will Janes of Wendell, Idaho and Henry Janes of Houston, also two sisters, Mrs. Annie Sebastia of Houston and Mrs. Frances Marek of Industry. 19 grand children and 4 great grand children survive.

Pallbearers were E. B. Hyer, J. R. Slovacek, Joe Vijdak, Raymond Zajicek, Albert Zajicek, John Burtiss, Jim Petruy and J. D. Ruzicka.

Funeral services were conducted from the Chapel of Green's Funeral Home by Rev. Joseph Barton and Rev. John Chupik at 3 P. M. Thursday, October 26. Interment was made in Corinth cemetery.

Mr. Norman Boswell Rites Held Wednesday

Norman Boswell, a native of Hearne died in the McKinney Veterans Hospital Monday, October 23.

Mr. Boswell had been in declining health for the past year and was a veteran of World War I. He was the brother-in-law of Mrs. F. E. Jackson and uncle of Earline Josey, both of Cameron.

Funeral services were held at 2:00 P. M. Wednesday, October 25 from the Methodist Church in Hearne by Rev. Hal Cunningham, pastor. The Heartfield Funeral Home of Hearne was in charge of the arrangements.

Surviving are his widow, two sons, Donald, a student of A&M and Buddy of Hearne, one brother, Ancil Boswell of Hearne and one sister, Mrs. Biggerstaff of Oklahoma.

Interment was made in Hearne with Veterans of Foreign Wars in charge of graveside services.

PICKUP STOLEN MONDAY

A 1938 Chev. pickup belonging to Emil Lee Allevare, Cameron Mexican, stolen in Rosebud Monday. Allevare parked his pickup in front of the Nicholson Funeral home in Rosebud and while attending a funeral the car was stolen.

Temple police called the local sheriff early Wednesday morning that the pickup had been picked up in Temple. Officials left to bring the car to Cameron.

Mr. and Mrs. Joe Falber of Houston visited Mr. and Mrs. Frank Dink recently.

Farm Bureau Members Will Convene Here Thursday Night At 8

Members of the Milam County Farm Bureau will convene in a called meeting in the district room at the Court House, Thursday October 26 at 8 P. M., it has been announced by S. W. McClaren, Jr., president.

Plans for the State Farm Bureau Convention will be discussed and delegates will be elected to attend the convention to be held in Mineral Wells sometime the later part of November.

There will be discussions on Cotton restrictions and Milam County farmers are urged to be present for this discussion. There will be reports from community chairmen on the membership drive which began the first part of October. The entire membership should be present for this important meeting. Make plans, now, to attend.

Local Pastor To Attend Baptist Convention

Fort Worth will gain 2,700 new citizens within the next two weeks, honorary citizens, that is.

That many Texas Baptist pastors are to be made honorary citizens by Mayor Edgar Deen. Every Texas Baptist pastor will receive from Mayor Deen an invitation to the Baptist General Convention of Texas, Nov. 7-9, and a card making him an honorary citizen of Fort Worth.

The honorary citizen idea is designed to get more of the smaller churches of the denomination represented in the convention than ever before.

The convention in Fort Worth will offer, for the first time in a number of years, adequate seating space for the attendance. Sessions are to be held in the Will Rogers Memorial Coliseum, which will have seats for more than 10,000.

Billy Graham, the young North Carolina evangelist, who has been attracting thousands at each of his appearances, will be the speaker the final session at a gigantic "youth night rally."

Rev. P. A. Corkern will be accompanied by his wife and small daughter to Fort Worth where they will attend the Convention.

Mrs. Raleigh Lamb and daughter, Carol Ann, who have been visiting relatives in New York for several weeks will return home Saturday.

Joe Brandenburg, father of Mrs. Roy L. Baughan, is still a patient at McClosky Hospital in Temple, but is improving nicely.

Over 6-million enthusiastic users. Mixes, mashes, whips, beats, juices, etc. Saves time and armwork. Puts extra deliciousness and extra success into every recipe.

CULPEPPER'S
CAMERON, TEXAS

Mrs. Pete Bergum Is Hostess To The 42 Leisure Club

Mrs. Pete Bergum recently entertained the 42 Leisure Club at the home of her sister, Mrs. Ida Vogel-sang.

Arrangements of beautiful fall flowers were used as the decorating scheme and were arranged very attractively at appointed places throughout the house.

After the games were played, Mrs. Bergum surprised one of the members, Mrs. John Matyastik with a lovely birthday cake. High score was won by Mrs. Leo Laake who presented her gift to the honoree, Mrs. Matyastik. Second high was taken by Mrs. August Kunz, and the 84 prize went to Mrs. L. F. Slama.

The hostess, assisted by her sister, served a salad course with coffee and individual birthday tea cakes to approximately 12 members and one guest, Mrs. Leo Hollas. Plate favors were miniature colonial statues.

The Club will meet next week in the home of Mrs. E. O. Schiller.

Mrs. Felix Matula Jr. Guest Speaker At History Club Tuesday

Mrs. John B. Henderson and Mrs. Ruth Rosson were gracious hostesses to the Cameron History Club on Tuesday October 23 at the Home of Mrs. Henderson.

Mrs. L. W. Smith presided over the program and Mrs. J. C. Martin was program chairman.

Mrs. Felix Matula Jr., was guest speaker and gave a most interesting talk on "Customs in Czechoslovakia." She is a native of that country and items such as scarfs, chairbacks, pillow cases and doilies that had been knitted and crocheted in the native country were displayed. Their designs were very unique.

Guests were Mrs. Drayton McLane, Mrs. Mark Magers, Mrs. Ernest Burkes and Mrs. Matula.

The hostesses served a delightful salad plate.

CARD OF THANKS

We take this means to express our heart felt appreciation for the sympathy extended to us by our friends and neighbors in our recent sorrow and the loss of our beloved wife and mother.

Especially do we thank our faithful Doctor and the entire staff of the St. Edwards Hospital, those who sent food and floral offerings, and others who brought comfort to us in our sorrow.

We will always have the memory of your kindness. May God Bless each of you.

H. E. Graham and family

Go To Church Sunday.

Delores Ann Tindall Honored on Birthday

Delores Ann Tindall, daughter of Mr. and Mrs. Ed Tindall celebrated her eighth birthday with a party on the lawn of the family residence Monday, October 16.

A hallowe'en motif was carried out in decorating the lawn.

Ralph, Larry, and Harold Pate, Sharon Vick, Marilyn Hughes, Connie Mauldin, Mary and Frances Kestbaum, Don Maddox, Buddy Reichert, Judy and Viva Haney, Lois Horstmann, Lynn Shuffield, John Perry and Chipper Hobson, June and Linda Weems, Gloria Jean and Tommy Lane, Maxine Turner, Ann Allison, Jean Lester, Judy Lima and Dean were present to wish Delores a very happy birthday.

A series of spirited games were played during the afternoon with prizes going to the honoree.

Mrs. Tindall was assisted by her daughter, Mrs. Frank Lima in serving birthday cake and ice cream. The cake was a three tiered with white icing and a miniature pumpkin in the center, surrounding the pumpkin were eight candles.

The honoree received many nice gifts and thanked everyone in her own sweet manner.

Mrs. R. M. Conner, Sr., is a medical patient at Newton Hospital.

Mr. and Mrs. O. H. Rice of Ben Arnold received word that their son, B. D. Rice of Houston has been called into active duty with the Navy and has left for California where he will be stationed.

Mr. and Mrs. Melvin Weems have returned from a vacation trip to Little Rock and Hot Springs. They also visited the State Fair in Dallas, and reports a wonderful trip.

Mrs. L. D. Anderson of Ft. Worth and Mrs. B. F. Sims of Amarillo are visiting in the home of their sister, Mrs. Tom Blakey and niece, Leona Blakey.

Schiller Motors Has New Service Manager At Big Auto Plant

Schiller Motors has announced that Wesley Schrieber, well known mechanic and service department manager has accepted the position of Service Manager at their new agency in Cameron.

Mr. Schrieber comes to Cameron from Rockdale where he has been with the Louis G. Gest auto agency and service garage.

Schiller Motors recently completed their new plant at the corner of 7th and north Travis and have one of the most modern garages in Central Texas. They are happy to announce that Mr. Schrieber will manage their service garage.

Mrs. Schrieber and their daughter, Brenda Ann, are in Rockdale and will move to Cameron as soon as housing can be obtained.

General A. D. Bruce To Inspect National Guard Unit Property

General A. D. Bruce of Fort Sam Houston is in Cameron today for an inspection of the building and equipment at the National Guard Armory.

Captain Rudolph Michalka, Commanding the Anti-Aircraft artillery unit had everything in readiness for the inspection.

Major Heanel and Captain Wilds of the National Guard in Temple are here to greet General Bruce and to take part in the inspection. General Bruce was formerly in command at Fort Hood.

The guard unit here may be in readiness for summons to military although there was nothing to indicate what plans may be for the immediate future of Captain Michalka's command.

Winners In Fire Prevention Contest Named This Week

The week of October 9-13 was designated Fire Prevention week at the Ada Henderson School and all grades participated in a poster contest and winners have been announced.

The following students have received awards: John Morris Duncum, first place, \$3.00; Alton Witt, second place \$2.00; Yvonne Storey, third place, \$2.00. All are students in the eighth grade.

The following students were prize winners of \$1.00: Shirley Solomon, Alton Sandford, Emmett Streetman, Nick Nabours and Ann Wimberly. All of this group are eighth graders except Nick Nabours who is in the seventh grade. There were many more students who displayed excellent posters.

YOEMEN GET BACK IN CONFERENCE FLAG RACE

The Yoemen defeated the Killen Kangaroos Friday night in a hard fought battle on the Yoemen field by a score of 13-2.

The Yoemen outplayed the Kangaroos from the kick off 'til the final gun although they made several fumbles deep in Kangaroo territory in the initial quarter.

The Kangaroos won the toss and chose to defend the East goal. Johns kicked off and J. Adams returned to Killen's 32. Several tries at the Yoemen line failed to make a first and the Kangaroos were forced to kick.

The Yoemen then started their forward march with Glenn Rosenberg making a first down on the first play. John Johns added 11 for another first down. Eddie Lankford on a quarterback sneak added 7 yards to the Kangaroos 21 yard line. Johns behind the blocking of Sheehan, Stanislaw and Allen moved the ball down to the 11 yard line. On a bad pass from center Reding recovered for Killen on their 33 yard line. The Kangaroos tried a number of plays but were unable to click for a first down and punted.

After an exchange of punts the Yoemen put on the power again with Lankford making a first on an 18 yard gallop and at one time it looked as if he was loose for a score but H. Roach pulled him down. Johns added five yards. Rosenberg makes another first down, picking up about 8 yards over right guard. Rosenberg adds 17 on the next play with Rice, Rinn and Ermis blocking nicely, carrying the ball to the Kangaroo 22. Johns fails to gain. Joe then adds 9 yards to the Killen 13. Glenn makes a first on the 9 yard line. Eldon Batte on a quarterback sneak adds 3 placing the ball on the Killen 6 yard line. Rosenberg is unable to hold bad pass from center and Cameron recovers on its 32 but the ball went over to the Kangaroos.

On Killen's first play W. Wilson makes Killen's first down with a power drive over right tackle Thompson bringing him down. The Kangaroo offense bogged down and they are forced to kick.

Within 2½ minutes to play in the first half the Yoemen put on a touchdown drive originating from their 32 yard line, Lankford returning the punt. On the next play, Rosenberg picks up 8. Johns adds 3 for a first on the 44. Lankford sprints around left end for 17 yards to the Kangaroos.

Better Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. Creomulsion has stood the test of many millions of users.

CREOMULSION
relieves Coughs, Chest Colds, Acute Bronchitis

roo 39. Johns adds 8 more on a terrific plunge over left tackle. Rosenberg makes a first down on the Killen 19. Rosenberg behind unique blocking of the entire right side of the Yoemen line moves the ball on down to the Kangaroo 5 Yard line. Eddie carries the ball to the 1 foot line on the next play, Eldon Batte on a quarterback sneak rams it over for the first touchdown. Glenn adds the P. A. T. 7-0.

During the middle of the third quarter Wilson, ace back for the Kangaroos found a big hole over right tackle broke through the secondary and galloped 60 yards on a spectacular run, being over hauled from behind by Glenn Rosenberg on the Yoemen 18 yard line. H. Rickets who replaced W. Vick who had been ordered from the field by the umpire on a personal foul against Frank Malone, Yoemen end, made 6 yards in 2 tries at the Yoemen line. And on the next play carried the ball to the Yoemen 9 yard line, bringing up fourth down. The Yoemen held like the Men of Troy on the next play and they took over on their 8 yard line. This was the third time the Cameron team had held on the fourth down and the ball going over. The Cameron fans gave the team a tremendous cheer, placing our confidence in a team we love so well.

Eldon Batte's kick on first down was blocked by Satterwhite, right

tackle for the Kangaroos with Rosenberg falling on the ball, for a safety.

During the next eight or nine minutes of play the teams were centered around the 50 yard line. Then Rosenberg on an attempted pass chose to run and sprinted 38 yards being brought down by H. Oswalt, 220 lb. Killen guard. Lankford lost 12 on an attempted pass and Logan kicked to the Kangaroo 18.

The Kangaroos tried a pass but failed to connect losing yardage and on 2 drives at the Yoemen line were unable to make enough yardage for a first down. Lankford returns punt 28 yards with Stanislaw throwing the key block. On the next play Lankford is run out of bounds on the Kangaroo 30 circling left end.

Rosenberg on sensational right end run, shaking off a number of Killen tacklers went all the way for the touchdown. Glenn's try for point was wide.

During the last few seconds of play Killen tried to pass but were unable to gain any considerable yardage as the game ended.

The Yoemen played the best defensive game of the season against the Kangaroos and their offense clicked nicely during the game but fumbles were costly to the Yoemen as they might have scored two more touchdowns on the Kangaroos.

U. S. CAVALRY FIRST TO ENTER KOREAN CAPITAL

U. S. First cavalry troops, first into Manila, first into Tokyo—fought their way today into the deserted Red Korean capital of Pyongyang, a field dispatch reported.

This would make a 13-mile final advance against fiercely resisting Reds seeking to protect the flight of Premier Kim Il Sung's government and army northward.

U. S. Eighth army headquarters at Seoul received word at noon (9 p. m. CST Wednesday) that elements of two regiments had battled into the ancient city.

The first cavalry ran into the Red guard position Wednesday while engaged in a race with the South Korean First Division for the honor of being the first into Pyongyang.

Striking out from Hukkyo, the troopers powered their way through Chunghwa, 10 miles out, and then drove on into the city, the field dispatch said.

Strong armored reinforcements were rushing up to support the advance.

Captured Pyongyang civilians told a south Korean army spokesman that Premier Kim Il Sung's Red government had fled to Huichon, 80 miles north of Pyongyang.

"We will launch a new attack as soon as we can spread out and hit the enemy positions," said a U. S. Eighth army spokesman.

He added, "We have overwhelming force at our command and, as soon as we can get set, nothing can stop us."

Former Yoeman Stars In Sport Activities At San Marcos

For a man who's chief stock and trade is track, Paul Burke of Cameron is making quite a name for himself on the Southwest Texas State Bobcat football team.

Burke, a Bobcat squadman in 1948 and 49, broke into the starting lineup this year. Since becoming a regular the 150 pound speedster could easily be tabbed one of the outstanding break-away runners in small college circles.

Repeatedly he has used his track ability to outdistance opponents for long gains. He had his top eight several weeks ago when the Bobcats played Sul Ross State.

Matching runs with Ted Schown, Sull Ross' little All-American, Paul was barely nosed out for the honor of the game's outstanding back.

A track letterman, Burke runs the 100 and 200 yard dashes. He is also a member of the esteemed sprint relay team.

While playing at Cameron's Yoe High Schol, Burke won four football letters in addition to being named on the 1945 All Central Texas football team.

Rev. Joel Theilepape, Tommy Smith and Mr. and Mrs. Wesley Pratt were dinner guests in the home of Mrs. Ernest Pratt Sunday.

Mr. and Mrs. Henry Kuhn of Rosebud visited her sister, Mrs. Edwin Wilgrube in Cameron Sunday.

Mr. and Mrs. Kennard Conner and Nadine visited Mrs. Conner's mother and brother in Davilla Sunday.

Chairman Black Calls Disaster Meeting For American Red Cross

(From the Daily)

Carl C. Black, disaster chairman for the Milam County Red Cross has called a county-wide meeting for Tuesday, October 24, at 8 . M. in district court room to organize communities and the county as a whole, to meet disasters including tornadoes, floods, etc., and to enlist emergency workers in case of Atomic bomb and war disasters. All over the nation, civilian defense organizations are being set up. In the event of an A bomb explosion, well trained workers must be ready to assume responsibility in their own community because help from other sources will be unable to enter that territory for a set period of time.

While Milam County may not be a profitable A bomb target because it is comparatively thinly populated and there are no major war industries here, she still must be prepared to meet a calamity, Sheriff Black says. Tornadoes, fires and other disasters might be more hazardous here and if trained workers and cooperators know their places and can fit immediately into the program of caring for the injured, and have available the community's plan for shelter, food and protective measures, much more rapid and efficient aid can be administered.

All phases of Red Cross work are important and Milam County has always done her part in contributing to the program, but the disaster set-up is one division of the work that every citizen of the county should be anxious to assist with, the chairman points out.

Medical aid after an A bomb attack would be difficult; communities must be educated to help themselves. Doctors, nurses and firemen would be as seriously hurt as anyone. Every citizen should know what to do both before and after an atomic

bomb strikes. . . he should turn away from the flash, cover exposed areas of the body as well as possible, get inside a building or under a tree to escape flying debris, and wash as well as possible with plain soap and water.

Radio activity cannot be destroyed but must be allowed to dissipate itself. That is why a community must rely to a certain extent upon what is immediately at hand.

Valter White, as chairman of the Milam County Red Cross, Mrs. Grady Stidham, home service chairman, Mrs. E. G. Lowe, executive secretary and Mr. Black in the disaster work of other officers will cooperate with the Red Cross.

Interested persons are urged to attend the meeting Tuesday evening or to see that their community is well represented and duly organized.

Man Is Attacked By Rattle Snake At Silver City Friday

Howell Robbins, son of Mr. and Mrs. O. P. Robbins of Silver City, killed a 54 inch rattlesnake Friday afternoon near their home.

Howell who was rounding up some cattle in a near by pasture for his father was suddenly attacked by the snake and ran some 25 yards to a near ravine where he managed to stall the rattler for several minutes. He had his 22 rifle and shot the snake twice in the head.

Mr. Robbins said rattlesnakes in that area of the county are numerous and that he had seen several during the cotton picking season but this was the first one that attempted an attack.

Mrs. D. R. Miller of Lometa is visiting her daughter, Mrs. Alvin Hibbitt and granddaughters, Mrs. George Barr and Miss Dorothy Hibbitt for several weeks.

5 DOCTORS REGISTER IN MILAM COUNTY

State Selective Service Headquarters have reported a total of 747 physicians, dentists and veterinarians in Texas registered in the special registration Monday, October 16.

Of this total 467 were listed as physicians, 160 dentists, and 120 as veterinarians. The highest registration was reported from Harris County where 132 professional men signed for service. Second high was at Dallas with 95 registering.

Five men registered from Milam County; four from Cameron and one from Thorndale.

Dr. Marvin Bartlett of Cameron and Dr. A. W. White of Thorndale, physicians, Dr. Robert Tittsworth and Dr. Lyle McDermott, veterinarians and Dr. George Bowman, dentist, registered here according to Mrs. Loretta Brock, chief clerk at the local draft board.

Mr. and Mrs. Vito Riola and Mrs. August Hertenberger were visitors in San Angelo Sunday. After leaving there, they visited relatives in Roby, Texas.

KENT SMITH, JANIS PAIGE, VIVECA LINDFORS and ROBERT DOUGLAS portray the leading roles in "This Side of the Law," a Warner Bros. drama opening at the Cameron Theatre on October 31 beginning at 11:30 P. M.

Meals At Lunchroom Announced For Week; Good Foods Served

The cafeteria at the Ada Henderson School will have the following menus for the current week beginning October 23, it was announced by C. L. Canaday, principal.

Monday, chili and beans, cabbage, carrot and apple salad, bread, milk and cake;

Tuesday, scalloped potatoes, English peas, carrot strips, bread, milk and peanut butter and honey on crackers;

Wednesday, beef stew, green beans, bread, milk and cherry pie;

Thursday, navy beans, turnip greens, corn bread, milk and honey balls;

Friday, meat loaf, corn, salad, green peppers, lettuce, carrots, bread, milk and peaches.

The menus for the past two weeks have been very good and they will continue to be good the remainder of the school year and parents should see to it that their children patronize the lunch room so that the best of food will continue to be served the students.

ENEMY GIVING UP BY THE THOUSANDS

SEOUL, Korea, Oct. 23—South Korean troops Monday plunged on toward the Manchurian border, a scant fifty miles away, and a United States Eighth Army spokesman said he expected no more fighting against organized Red resistance in the Korean War.

While the South Korean forces slogged northward, Communists by the thousands poured out of the hills to lay down their arms. The total bag of prisoners passed the 120,000-mark, the equivalent of twelve Red divisions. In the past twenty-four hours 26,000 had surrendered.

Fleeing fragments of the once-potent North Korean army which invaded South Korea four months ago were funneling into the Kanggye pocket, a triangular area against the Manchurian border. Kanggye is 20 miles southeast of the Yalu River frontier.

The South Korean 6th division, closest of all to the Manchurian border, was driving in the direction of Kanggye, where Red Premier Kim Il Sung was reported to be establishing a new command headquarters.

Noting heavy enemy traffic mov-

ing in that direction, the United States Fifth Air Force Monday raided Kanggye with B-26 attack bombers. Results were not immediately known.

Kim Il Sung used the Kanggye angle to wage guerilla warfare against the Japanese in World War II, before Russian occupation forces made him head man of Communist North Korea in 1945.

The South Korean 6th Division's northward push was last reported two miles north of Huichon in the center of the Upper Korean Peninsula. This put it within fifty air miles of the border and about ninety miles north of Pyongyang, Allied-captured Red capital.

Two other South Korean drives, also pushed steadily northward. The Capital Division on the east coast reached Iwon, eighteen miles northeast of newly-captured Pukchong and seventy six miles south-east of Manchuria. Another spearhead of this division, stabbing through wild, mountainous terrain eighteen miles inland, passed Cho, sixty-three miles south of the frontier.

The South Korean 1st Division crossed the Chongchon River at Kunu, eighteen miles north of Sunchon and seventy miles southeast of Manchuria. British 27th Brigade troops likewise crossed the river near there.

The South Korean 1st Division also put troops north of captured Tokchon, twenty-three miles northeast of Kunu, and at Anju, near the west coast at Korea's narrow waistline.

We Take Up Fight With No. 2 Foe; Rats To Be Blasted Again

Man's age old fight with rodents will be resumed here this week in what heretofore has been a more or less futile effort to eradicate rats in Cameron.

D. S. Wimberly of the Milam County Health Unit said that E. S. Watson would be here Monday morning to make a survey on which to base a new campaign of rat eradication.

The city has an ordinance requiring all buildings to be rat proofed but like all other good laws, is not entirely enforced, the result being that rats are still the No. 2 menace in our city, No. 1 being Civic Corrosion.

After the survey is made, a complete course of dusting and poison will be placed and people are cautioned to keep their pets penned up for a week or 10 days.

If any heavily infested areas are overlooked, please call 726, the County Health Unit. This survey will be made in the mercantile area only.

Edward Tindall who is employed in Austin visited in Cameron over the week end.

Mr. and Mrs. Jim Short, Wally and Betty Jo, Mrs. Annie Short and Bernice were guests of Mr. and Mrs. George Leath of Calvert Sunday.

CATTLE MEN TO HOLD MEETING NOVEMBER 8

Ranch and cattle men of Milam County are looking forward with great interest to a meeting to be held on November 8, at the Simon-George Hall at 7:30 P. M.

This meeting is sponsored by the Chamber of Commerce and plans are now underway to create interest among the cattle producers of this area.

Blake Pullen of St. Louis, manager of the Southern Region Livestock Division for the Purina Company will be the main speaker. His subject will be "Requirements for Beef and Range Cattle."

An interesting program is being arranged by the Livestock Committee of the Chamber of Commerce with LeRoy Thompson and J. D. Moore co-chairman.

For a number of years Milam County ranked number two in the number of livestock under feed and still ranks high in beef production and a considerable large amount of the county's income is derived from this source.

Door prizes will be given and cattlemen over the county are urged to attend this important meeting. Ranchers from Bell, Burleson, Falls and Williamson counties will also attend the meeting.

Mrs. Emma Moore of Texas City has returned home after a weeks visit with friends in Cameron.

Raleigh Lamb visited Mr. and Mrs. R. G. Bobo and Professor and Mrs. Schofield at Lockhart over the week end. He also visited in Austin. Mr. Lamb is on the employment staff of The Cameron Herald.

Max McClaren, Henry Lippman and D. G. Humble, new Cameron attorney attended the TCU-A&M football game at College Station Saturday.

Cotton Export Raise Allowed

WASHINGTON, Oct. 23— Secretary of Agriculture Charles F. Brannan Monday night increased the export quota of American cotton 146,000 bales.

The new quota is 2,146,000 bales for the 8 month period ending next March 31. On Oct. 10 Brannan imposed restrictions on foreign sales and set a preliminary quota of 2,000,000 bales for the eight months.

The restrictions on exports were imposed to protect supplies for do-

mestic needs. A very short cotton crop this year has caused a tight supply situation.

The 146,000-bale increase will be apportioned among eligible importing countries later.

Miss Sammie Dell Markham, student at Draughans Business College in Dallas spent the week end with her mother and other relatives here. Miss Markham attended the Cameron-Killeen football game Friday night.

Mrs. Antone Klecka is ill and a patient in the Newton Hospital.

A COMPANY IS KNOWN BY THE MEN IT KEEPS

When you must make your most important financial decision . . . involving life insurance for the protection of your family . . . you are well advised to choose a sound company, represented by an able agent.

The men and women who have chosen to represent Southwestern Life are public-spirited citizens, often working unselfishly in community welfare or civic improvement projects. They work, too, in life underwriter associations, making life insurance do a better job for the people of their towns and counties. In many ways they help to make their communities better places in which to live.

Yes, a carefully selected, well-trained and responsible Agency Force represents Southwestern Life, now in its 48th year of service to Texans.

MILANO NEWS
By MRS. DAN ROBINSON

Milano had a very good rain Thursday, however more rain is needed. The football game Friday night between Milano and Allen Academy resulted in a score of 13 for Milano and 6 for the latter. The Milano team will play Kosse next Thursday night here.

Mr. and Mrs. John Hensley and child of Tohoka visited in the home of Mrs. Jessie Bankston last week.

Rev. R. E. Ledbetter began a revival at Liberty Church last Sunday that will continue through this week.

The many friends of Mrs. Nonnie Renfro wish to extend their sympathy to her in the recent loss of her sister, Mrs. H. E. Graham of Cameron.

E. C. Westbrook Sr., who had a major operation in Temple Thursday is improving nicely.

Miss Ernestine Smith who is attending Blinn College in Brenham spent last week end at her home here.

Mr. and Mrs. Eldon Ball of Hutto spent last week end in the home of her parents, Mr. and Mrs. E. C. Westbrook.

Several of the women of the W.S.C. S. attended the wedding of Mr. Wood, son of Mr. and Mrs. Lloyd Wood in Brenham last Saturday night.

Funeral services were held last Monday for Mrs. Westbrook at Liberty, who passed away at the home of her daughter in Dallas.

TRUMAN SAYS WE
MUST PROTECT SUPPLY

WASHINGTON, Oct. 19— The President today ruled out any relaxation of the cotton export quota.

The President was asked at a news conference whether there were prospects of relaxation in view of protests from Southern Congressmen in the cotton States about a 2,000,000 bale export quota.

Mr. Truman said there is no justification for relaxing this quota because cotton is needed at home.

Elsewhere in Washington the Government today threw cold water on a suggestion by a six-State delegation of cotton growers that export controls be removed from cotton.

The controls were imposed last week to conserve a dwindling domestic supply.

A group of about 20 growers met today with Ralph S. Trigg, chief of the Agriculture Department's Production and Marketing Administration, and requested that the controls be lifted. The growers are from Louisiana, Missouri, Mississippi, Texas, Arkansas and Tennessee.

Trigg said at a news conference later that "I don't promise them a decision or reply." He indicated he was not sympathetic to the suggestion.

"The growers seem to think there is sufficient supply of cotton on hand to meet domestic and export demands," he said. "We wouldn't have put the controls on if there wasn't some question in our minds about that."

Mr. and Mrs. Jack Loftin and little son, Leslie have returned to their home in Houston after visiting relatives and friends here. Mr. Loftin is employed with the Houston Chronicle. His mother and her husband Mr. and Mrs. Jess Barrett accompanied them back to Houston where they will visit for a few days.

Joe David of Cameron is in the Newton Hospital.

MARCH OF DIMES SCHEDULED FOR JANUARY

L. G. Baker, Waco insurance man, has been appointed area campaign advisor for 11 central Texas counties surrounding Waco in the 1951 March of Dimes campaign, Ed Stewart of Abilene, and General Walter Krueger, San Antonio, Texas State chairman, announced today.

As campaign coordinator for these Paralysis county chapters, Baker will work with Bell, Bosque, Coryell, Falls, Hill, Limestone, McLennan, Milam, Navarro, Robertson and Somervell Counties in their January 15-21, 1951 fund raising activities.

In Milam County Baker will work with Max McClaren, of Cameron, who has been appointed county campaign director.

Accepting the appointment by Stewart and Krueger, Baker noted increasing incidence of infantile paralysis in Texas as a challenge to conduct a stronger campaign. By October 20, he said, Texas had 374 more cases of the disease than during the same period last year.

The objective of the campaign, which is the National Foundation's only fund raising activity, is to enable Texas to take care of its own polio patients and pay its share of the national programs of research, epidemic aid and professional education of medical personnel, Baker asserted.

A pre-campaign meeting for the counties named above will be held in purposes.

Baker has long been an active worker in the civic and church affairs, as well as in the fight against infantile paralysis. While residing in Austin he served the Travis County NFIP Chapter as chairman.

He is married and has two sons,

the oldest of whom was stricken with polio in 1945 and is still receiving treatment for the disease.

Baker is a member of the Scottish Rite Bodies and Ben Hur Shrine, Temple, Austin Masonic organizations.

Baker moved from Austin to Waco in 1949, and is now associated with Southern Reserve Insurance Company. His office is located at 308 Jordan building and he resides at 3004 Reuter in Waco.

BRIGHT OUTLOOK HERE— (Continued from page one)

in the sum of \$425,000 with the difference of \$125,000 to be spent for a new standpipe and the only part of the program not carried out in accordance with the pledge to the people is that the city has sold \$25,000 of the bonds and used part of the money to buy office equipment.

It was understood money left after the purchase of equipment has been deposited in a special fund. Whether there will be enough when they get through to buy a standpipe must be assumed but so far as known plans have not yet matured.

The city has a very advantageous contract and out of the accumulating surplus by 1960, it can begin a more rapid retirement of the obligation. For the next ten years the Water Plant will pay off \$100,000 of the debt. After that time, if the surplus is large enough, the city can pay off \$135,000 any time it so elects.

At that time if the city is fortunate enough it will owe only \$65,000 but it may continue such payments as are provided in the schedule on or before maturity date and this is good financing.

Mr. and Mrs. Jack Loftin and little son, Leslie have returned to their home in Houston after visiting relatives and friends here. Mr. Loftin is employed with the Houston Chronicle. His mother and her husband, Mr. and Mrs. Jess Barrett accompanied them back to Houston where they will visit for a few days.

S-Sgt. Ronald Short Is Home On Furlough; In Marines Seven Years

S/Sgt. Ronald James Short, son of Mr. and Mrs. Jim Short of Marlow visited in the home of his parents the past week, and this was the first time he had been home since April 1948.

S/Sgt. Short volunteered for service in the Marine Corp in 1943 and during World War II he saw service in the north African Campaign, the Mediterranean and in China. During his service in the Mediterranean he was transferred to the USS Leyte, Air Craft Carrier at Malta from there was stationed in Panama and Pearl Harbor for a short time.

He re-enlisted for service in 1946 with the Marines and is now with the 2nd Battalion 2nd Marine Regiment, 2nd Marine Division in Oceanside, California, recently returned from the Korean invasion. Sgt. Short was in Korea for three weeks during the First Part of the invasion by the Reds. He has served 7 years and 9 months in the U.S.M.C.

CAMERON JOINS— (Continued from page one)

flag to Judge Tyson by saying:

"As president of the Gay Hill Home Demonstration Club, representing the extensive service of Milam County, I present to you, Mr. Tyson, Judge of Milam County, the UN flag in observance of the 5th birthday of the UN."

"There Shall Be Peace" Judge Tyson said. "As a representative of Milam County, I say it is an honor and unusual privilege and pleasure to accept the UN flag. We are happy and grateful for this flag and I want to say not only are we grateful for the Gay Hill Home Demonstration Club's contribution of this flag, but I say that the people of Milam County are grateful to all the HD Clubs of this County for their contributions that are given under the able leadership of Mrs. Alford, our HD agent."

This flag along with the other flags made by the HD clubs of our county, are being flown today in many sections and many localities of the country. These flags stand for peace, these flags are symbols of what the world is trying to do. I am sure that every stitch in that flag is a plan for peace. We are grateful to you, Mrs. Young of the HD Club of Gay Hill for this beautiful flag. Thank you very much and to all, God Bless You."

Mrs. W. O. Triggs discussed the organization of the UN, giving in details the careful training and planning by the leaders of the nations dating as far back as 1945 when 51 nations came together to consider the culmination of the plan. "Until recently there were 59 members when Indonesia became the 60th member."

After this the first assembly met on January 17, 1946 and started what is known as the UN. Mrs. Triggs closed her address by saying: "The International Court of Justice has done an important work and the UN is doing a great and commendable work, so let us go from here and not

only pray for peace but work for peace."

Guest for the occasion was Mrs. Mary Brocker who is the District Agent for 18 counties. She expressed her appreciation for the occasion and told that there were 3,011 flags being flown Tuesday throughout Texas in honor of United Nations celebration.

Mrs. Alford expresses her appreciation to Mrs. Triggs, Judge Tyson, Rev. Corkern, Mrs. Young, Francis Cox, Carl Black and Mr. Pruett of Milam County for making the occasion possible. She also expressed her thanks to both newspapers for having reporters there.

Rev. Percy Corkern, Pastor First Baptist Church gave the benediction. The Yoe High School band under the direction of Francis Cox provided appropriate music for the occasion.

Homemakers At O. J. Thomas School Attend State Fair Recently

Officers of the Homemaking Class at the O. J. Thomas School under the supervision of Hazel Burks attended a district meeting at La Grange on Saturday October 21.

Mary Marie Martin, secretary of the local chapter was elected district president and Hazel Burks elected district chairman.

The class also attended the State Fair in Dallas under the direction of L. B. Montgomery, Hazel Burks and D. S. Poole. All reported a good trip and enjoyed the sights very much and the class wishes to thank the school officials who made the trip possible.
